

Student Information Sheet

Welcome!

We are delighted you will be joining us this summer and look forward to meeting you. It is important that you are well prepared before you arrive in England so please read the following information carefully.

The College

Haileybury is a well known independent school located 25 miles north of London, just outside the town of Hertford. You will be accommodated in one of the school's boarding houses with other students and our teaching and activity staff.

You will have breakfast, lunch and dinner in the school dining hall and supper in your boarding house. Lessons are held in the nearby classrooms. You will also have use of extensive sports facilities on site including a modern sports hall, an indoor heated swimming pool, tennis courts, football pitches, a theatre, disco room and meeting rooms. The campus is quite large but all facilities are within 5 minute's walk of your boarding house. Our tuckshop is open each day for you to buy snacks and drinks.

The Programme

- You will have 15 hours (20 lessons) of English language tuition each week. Lessons will cover General English, British Culture and the ISC project taught by our friendly, qualified teachers. You will be allocated to a team for your Project and points are awarded for good work, behaviour and participation.
- When not in lessons, you will have a choice of activities including sport, dance, arts and crafts, competitions and games. Every evening there are activities arranged for you such as discos, games evenings, tournaments and barbecues. Two or three times a week we will go to visit local places of interest, for example London, Cambridge, St Albans or Hertford. You will be accompanied by our trained staff on all activities.
- Your Project lessons lead up to the Project Show, which takes place in the theatre at the end of the course. The Projects will be judged and team points awarded for the best ones.
- There will be students from many countries for you to make friends with. This gives you an exciting opportunity to learn about other cultures as well as British culture. As part of this, we ask you to prepare a presentation about some aspect of your country for our International Evening. It could be dancing, singing or anything else you would like to show us. Please think about this before you come.
- Sunday is a lesson-free day. Optional excursions can be arranged for an extra charge. If you want to go on these excursions, please bring enough pocket money to cover the cost, which is £25 - £45 per trip. Otherwise we sports on campus.
